

Sophyra Tutors – Personalised Online Tutoring

Shape Tomorrow. Master Academics. Lead with Wisdom.

At Sophyra Tutors, we connect students with qualified, experienced teachers who deliver tailored 1:1 online lessons. Every learner begins with a free consultation to discuss goals and learning style, ensuring the right tutor match and a clear 10-week tutorial plan.

Our Subjects

Languages – English, Mandarin, Korean

Emphasis on spoken fluency and cultural understanding.

Preparation for international exams including IELTS, TOPIK and HSK.

Sciences – Mathematics, Physics, Chemistry, Biology

Support at all levels, with particular expertise in iGCSE, A Level and IB/DP.

Strong foundations in both concepts and exam technique.

Exam Preparation (Premium)

Delivered by tutors who are also exam markers.

Insight into mark schemes, examiner expectations and proven strategies.

Focus on iGCSE, A Level, IB/DP, IELTS, TOPIK and HSK.

Our Process

1. Free consultation – to understand goals and needs
2. Tutor matching – personalised teacher assignment
3. 10-week tutorial plan – clear objectives agreed
4. Online lessons – live 1:1 delivery
5. Midpoint and final review – measurable progress tracking

Packages (10-week programmes)

Enhanced packages include a 5% discount and a midpoint review. Intensive packages include an 8% discount, a midpoint review and a final review.
